

Craobh Chualann

Ag saothrú an chéad ghlúin eile

ínvítáíon 'á chur le chéile'

In September 2017, Craobh Chualann launched an initiative called '*Le Chéile*'. Its aim was to develop Irish in our branch so that the language became an integral part of our culture alongside music, song and dance every Friday evening.

We invite you to a special evening in Craobh Chualann to say thanks, share the results of '*Le Chéile*' and to showcase '*Á Chur le Chéile*'; a short film charting the activities of '*Le Chéile*' in Craobh Chualann over the last 18 months.

We are delighted to announce the **Bonny**men will be playing for us and refreshments will be available on the evening.

We hope you will be able to join us to celebrate '*Le Chéile*' on Friday the 8th of March at 19:15.
Don't forget to wear your '*Le Chéile*' t-shirts!
